Beginning
Acrylic Painting
(Beginning Painting Class)

- 6 / 2 hr courses
- Materials provided
- Suggested cost: $250
- 4-10 students

In this course students can expect to begin their painting journey. The purpose of this class is to provide students with a solid foundation in the basics of acrylic painting techniques. By creating alla prima (in one sitting) still life paintings, students will learn about the materials, the power of values, how to properly mix colors, underpainting, composition and priming, finishing, and displaying paintings. Each class will have a clear objective that focuses on a different aspect of acrylic painting. Students can expect to complete one painting per class. Through hands-on practice and guidance from the instructor, students will develop their creativity and artistic skills, gaining confidence in their ability to express themselves through acrylic painting.
