

# 2026 Creative Collective Art Camp On the Hill Gallery

- Registration fee is one-time \$5 registration per child, paid in advance. Classes are \$30 for one class or \$75 for three classes. Children/youth are allowed to sign up for 3 classes and chose another 1 as an alternative, in case a class is canceled.
- All supplies are included unless noted otherwise. **There are additional costs for several classes to cover supply costs – pay that surcharge when registering.**
- Class size is 8 maximum unless specifically noted differently. Any registrations over the class limit are put on a wait list.
- Class reservations are first come/first served with seats held with paid registration.
- Register in person at **5308 George Washington Memorial Highway – in the Grafton area of Yorktown**. Register on the phone by calling **(757) 369-1108**

## Week 1 July 6-10th

7/6 This is an all day class      10-12 pm/lunch/1-3pm      Age 8+

Tina Crawford - Mosaic Bird Bath - \$10 additional cost

Students will make this great sea-themed ornament to place on the wall or hang in their window. They will place various tile pieces on the wood cutouts and use wood glue to make their artwork masterpieces. The students will then grout their pieces for the finished product. **Students need to bring their lunch for this full-day class. The gallery has a refrigerator and microwave available.**

7/7 10-12 pm      Ages 6-10

Lisa Bevers - Hand pottery animals - \$5 additional cost

We will make a simple hand built cylinder using toilet paper tubes as your armature, using a variety of textures, clay attachments and under glazes to personalize your piece. I will take the pieces home to bisque and final fire, bringing them back at the end of the month. All pieces are food safe and can be washed in the dishwasher

7/7 1-3 pm Age 12 +

Shirley Whiteneck - Photography

**Cell phone, cables and charger are needed in this class**

Students are introduced to basic principles of photography and will learn composition, seeing light, and keeping horizon lines straight. Basic editing techniques will be discussed and practiced. Students will create and photograph still lifes using backdrops and may bring in items to photograph. Students will photograph each other and do selfies in front of a backdrop, using ambient light as well as auxiliary light. Students will learn techniques of posing.

7/8 10-12 pm Age 6-11

7/8 1-3 pm Age 11 +

Lisa Beavers - hand pottery mug Day 1- Day 2 is July 9 Class limit 10 Maximum \$5 additional cost

This is a two part class due to the nature of allowing the clay to become leather hard before moving forward with handle and bottom attachment. We will work with slabs to create a mug that can be used for hot or cold liquids. You will learn terminology including temperatures, time, cone setting for different clays and glazes. Using a variety of textures and learning the score and slip technique needed to attach handles and bottoms, you will create your personal mug. Lisa will move pieces to her studio for bisque and final firing. Pieces will be ready at the end of the month. All pieces will be food safe, dishwasher and microwave safe.

7/9 10-12 pm Age 6-12

Dawn Treece - Sun Art

Dawn will teach Sun Art inspired by UK Artist Clare Youngs. Create your own brilliant sun using painted papers and your imagination. This project will focus on color theory, color layering, layout and design. **Students must be comfortable using scissors**, modge podge and paint! We may get messy but it will be worth it!

7/9 1-3 pm Age 11 +

Lisa Beavers - hand pottery mug Day 2

Final Day of the class that was held on July 8<sup>th</sup>

7/10 10-12 pm Ages 5-8

Rose Glenn - Mixed Media Wall weaving

Learn how to stick weave on warped branches using several textured materials to create your own art wall hanging.

7/10 1-3 pm Ages 9-15

Rose Glenn Stick - Mixed Media wall weaving

Learn how to stick weave on warped branches using several textured materials to create your own art wall hanging.

### Week 2 July 13-17

7/13 10-12 pm Age 6-11

Kathy Wahl - Wild Animal Collage

Come with a BIG imagination ready to make collage animals inspired by UK artist Clare Youngs. You imagine your favorite animal and bring it to life with painted papers, colors and shapes. In this fun session students will create painted papers with tempera paint and cut and create their animals from their beautiful painted papers.

7/13 1-3 pm Age 8-12

Dawn Treece - Gyotaku Fish Print

In Gyotaku printing students will learn the multidisciplinary art form that dates back to traditional Japanese fish printing using ink and fish to print cool pictures. Don't worry! We won't use real fish, but we will create COOL art.

7/14 10-11:30 am Ages pre-k-5

Debbie Stipe - Exploring the World of Color

Children will have the opportunity to develop an understanding of color by mixing primary colors to create new colors and experiment with a variety of materials to create a picture that represents a color.

7/14 1-3 pm Age 8+

Annie Diaz - Crochet purse - 10 student max

This is a 2-day class with an additional cost of \$10. It continues 7/15

Learn the basics of crochet while creating your very own purse! Students will be guided through foundational stitches and techniques, then apply those skills to make a stylish crochet bag. You'll learn how to create a double crochet stitch, learn to follow a pattern, and shape your project into a functional purse. To finish, you'll add a cute bow decoration for the perfect personal touch. All materials are provided!

7/15 10-11:30 am Age pre-k

Debbie Stipe - Objects Found

Children will have the opportunity to create pieces of art using found and natural materials.

7/15 1-3 pm Age 8+ This is day 2 of the July 14<sup>th</sup> class

Annie Diaz - Crochet purse - 10 student max

This is a 2-day class with a additional cost of \$10

Learn the basics of crochet while creating your very own purse! Students will be guided through foundational stitches and techniques, then apply those skills to make a stylish crochet bag. You'll learn how to create a double crochet stitch, learn to follow a pattern, and shape your project into a functional purse. To finish, you'll add a cute bow decoration for the perfect personal touch. All materials are provided!

7/16 10-11am Age Pre-k-5

Dawn Treece - Laurel Burch Fantastic Feline Art

Kids will love making these fantastic felines! Students will learn about our artist and her love of colors and shapes and then will learn how to color transfer their own cats using washable markers and fancy embellishments to make them even more special.

7/16 1-3 pm Age 7+

Dawn Treece - Laurel Burch Fantastic Feline Art

Students will learn about our artist and how she used bold outlines, vibrant colors and whimsical patterns to create her cat art. They will create their own fantastic felines using a glue resist technique with oil pastels.

7/17 10-12 am Age 7+

Elaine Riggle - Woven Bracelet /Wristband

Students will make an arm or wrist band while learning the basics of weaving with thread.

7/17 1-3 pm Age 9+

Elaine Riggle - Paper Quill Flowers

Let kids discover the art of paper quilling in this fun beginner class! Children will learn how to roll, shape, and glue colorful paper strips to create playful designs and simple works of art. Perfect for beginners, this hands-on class encourages creativity, patience, and imagination while making a project they can proudly take home. All supplies included.

### Week 3 July 20-24

7/20 1-3pm Age 8+

Suzanne West - Flights of Fancy Paper Mache - \$12 additional cost

**This class is a week of half days. It continues 7/21 and ends 7/24.**

Kids will have a blast creating their own paper- mache hot air balloon. This is a mess-friendly craft and students will learn the basic process

of paper mache to create the hot air balloon that they will design and paint, as well as creating their basket.

7/21 10-12 pm Ages 12 - 15

Sharon Judkins - Watercolor for Kids - Mountains in the Moonlight.

Students learn to paint with watercolor. They will paint loosely, in an atmosphere style to create a dreamy night mountain scene. We will introduce various techniques to achieve different watercolor effects. The piece will be created in layers and will be put together at the end of class.

7/21 1-3 pm Age 8+

Suzanne West - Flights of Fancy Paper Mache

**A continuation of the class that started 7/20**

7/22 10-12 pm No class

7/22 1-3 pm Age 8+

Suzanne West - Flights of Fancy Paper Mache

**A continuation of the class that started 7/20**

7/23 10-12 am Age 8+ - \$15 additional cost

Suzanne West - Needle Felt Galaxy Art

**This is a 2-day class that finishes the morning of 7/24**

This project is out of this world! Students will combine vibrant, swirling wool roving with barbed needle to create a multi-layered, cosmic masterpiece. This is a hands-on tactile forgiving craft for kids that allows them to sculpt colorful Planets on a pre-made felt sheet and wooden hoop.

7/23 1-3pm Age 8+  
Suzanne West - Flights of Fancy Paper Mache  
**A continuation of the class that started 7/20**
