

Author Academy

Master Your Craft. Build Your Career.

The Author Academy writing program is a focused, step-by-step journey designed to help aspiring writers sharpen their skills, complete their manuscript, and take the next step toward publication. We offer two 4-week tracks designed to help writers achieve all their writing goals.

We guide serious writers through the craft of finishing a manuscript and the business of getting it into the world, with expert support that doesn't disappear when the course does.
